

“Come and see the works of God,
Who is awesome in His deeds toward the sons of men.”

Psalm 66:5

Come to the CrossWalk and see...

...Who is truly awesome! Do you often hear the words, "Awesome, dude!", if someone dresses very cool or can do something really well, like a skateboard trick, or gets the high score in a video game? Adults might even say you are "So awesome!" when you get 100% on a math test or shoot a goal for your team.

Did you know that "awesome" comes from the word "awe", which is a feeling of HUGE respect for someone so great, and so wonderful that you just stand there with your mouth hanging open in amazement as if to form the very word, "Awe!"

Now, Who do you think is truly awesome? Who do you know is so cool & so great that you feel genuine awe? Who loves you more than anyone ever has or ever will? Who has the power to create everything (including the creators of electronic games) AND keep it all under control? Who is truly deserving of our awe? You guessed it!....not just some talented dude...but the One and only **Awesome God!**

THE PLAN

Two-year cycle of Bible passages

We have selected Bible passages that are fundamental to the Christian life. We have organized them into a two-year plan. Each passage is divided into age appropriate sections, the older the child, the longer the passage. As a child progresses through the grade levels, he/she will revisit the same passage every two years. This provides review of the section from his/her previous level and adds a bit more of the same passage.

Grades K-1: average 1 verse per week

Grades 2-3: average 2 verses per week

Grades 4-5: average 3 verses per week

Typically, we will work on a passage for **2-4 weeks**, depending on its length. A two-year rotation fits reasonably well with budding reading abilities and will allow time enough before the cycle starts over, so that reviewing and adding to previous knowledge will encourage the kids and avoid boring repetition.

WHY THIS APPROACH?

Better understanding and best use of children's natural ability to memorize

We focus on longer **memory passages rather than individual verses to provide the context** in which the verses are found for better understanding and application of the passage (eg. 1 Cor. 13 will be remembered as the "Love Chapter").

Children are in a developmental period **when their brains are best for memorizing**. They easily acquire thousands of vocabulary words, names and places by age 3! And have you ever noticed that after viewing a movie or tv show only once, kids can recite entire dialogues from their favorite scenes? Let's make the most of their minds when they are young, so they'll walk in His Word when they are old!

Just a few short midweek review times at home will be enough for most children to learn the Bible passages. Of course, it will take effort, but we hope the CrossWalk rewards and your help at home will encourage them. Above all, God's Word will not go out void!

We do not want to discourage those children who may not find it naturally easy to memorize! We encourage everyone to do the best they can and not be overcome by what other people are doing. At the same time, learning alongside others and sometimes healthy peer pressure can give great motivation!

HOW DOES IT WORK?

Teaching/learning verses: On Sundays, we will teach the meaning of the verses and get the kids *started* on memorizing Bible Passages in “chewable chunks” over periods of 2-4 weeks (depending on the passage length). *Please help your child keep track of the CrossWalk book, to practice the passages and bring it each Sunday to CrossWalk.*

RECITING VERSES FOR REWARDS

When

Sundays - children can recite their verses and collect points for prizes at the prize table.

Wednesday Club Nights –have your Club leader sign your CrossWalk book then bring it to the prize table on Sundays

To whom

Your child can recite to CrossWalk leaders, parents, Club leaders, designated “CrossWalk Verse Listeners”

What Verses

Let’s say our passage is Psalm 1. All grades will learn Psalm 1, but the youngest kids will learn only verses 1 & 2, while the oldest kids will learn all 6 verses.

Rewards

- The power of God's Word, hidden in your child's heart!
 - *1 POINT* per verse for:
 - Saying any portion of a CrossWalk passage eg. any one verse in the Psalm 1 passage=1 pt
 - Verse listeners initial and date on the line next to each verse recited correctly
- AND...*
- *DOUBLE POINTS* per verse for:
 - Reciting entire passage at one sitting with no more than about 3 prompts
- eg. Psalm 1:1-6 = 12 points!
- Receive double points *each time* you recite a whole passage!
- Eg. 36 points if you say Psalm 1:1-6 on 3 different Sundays!

HOW DO WE FIND TIME TO MEMORIZE?

The battle won't go away when they grow up!

The Word of God really is the priceless treasure it claims to be, and knowing the Word is the first step to digging up that treasure. Our children can be so busy with schoolwork, sports, and entertainment (TV, video & computer games...) that it's easy for them to feel too busy to learn the Bible! But as parents and teachers, **we must help our children set high standards** and not make it easy for them to find excuses for not learning the Word. Help your child form these habits early.

Start at the CrossWalk, follow-up at home

Check with your child's Crosswalk leader or the chapel website for extra copies of the verses.

Put the **passages in places the kids will see them** often— at the table (under a clear plastic placemat?), in the car, bathroom mirror.

Establish a **regular time to practice EVERY day** – On the way to school or soccer practice, etc. -- 1st thing in the morning or last thing at night, while brushing teeth, etc.

Encourage your child! Of course, you could add your own rewards to the system we have. Let us know what works for you & maybe we can incorporate your ideas into our program!!

Memorize together! Learn the verses along with your child—the competition will be good for you, and such an encouragement to your child! Chant or sing verses together!

If memorizing Bible verses is a new skill, or simply a major challenge, help your child **set a personal goal**. Encourage him/her to earn points for at least part of a CrossWalk Passage. Eventually build up to learning entire passages.

Studying at home is the key to success for your child!

NASB BIBLE TRANSLATION

Although there are pros and cons to various versions, we have chosen the **NASB** (New American Standard Bible 1995) version. NASB is considered the most literally accurate modern translation, and is the version used by a majority of the preachers and teachers at Hillview. NASB is the version the University of Acts uses, and may ease the transition if (hopefully) our children will want to be part of this course when they become adults.

We recognize that NASB is written to a higher reading level than NIV (New International Version). However, when it comes to memorizing something by rote, this should not be a major issue. If you want your child to use a different version, please realize that it may confuse him/her when we practice the verses in CrossWalk since we'll be using the NASB.

PRAY FOR RESULTS! AND LOOK FOR THEM!

Pray for and with your child about this endeavor. It can help you both see the Lord's hand in helping him/her gain this skill! Hopefully, the true reward for each child will be that he/she can apply God's Word in a time of spiritual victory or struggle. We'll work with the students to help them put the Words in their heads, but more importantly we want them to learn to apply God's Word to their hearts and lives. Ultimately the Holy Spirit will be the One doing this work!
